

Funding Opportunities & Partnerships

Advancing Liver Health Together

Liver Canada is committed to improving the lives of people affected by liver disease through patient support, education, advocacy, and research. We work collaboratively with partners across healthcare, industry, and the community to deliver impactful, patient-centred initiatives across Canada. We welcome partnerships that align with our strategic priorities and that create meaningful and measurable impact for patients and caregivers.

2026 Strategic Priorities

1. Education & Awareness

Supporting initiatives that increase public understanding of liver health and promote early detection.

Examples include:

- National and community-based awareness campaigns
- Educational forums and webinar series
- Liver health literacy and prevention initiatives

2. Early Detection & Research

Advancing innovation in the prevention, diagnosis, and treatment of liver disease.

Examples include:

- Clinical and academic research initiatives
- Early detection programs and pilot projects
- Focus areas such as liver cancer, MASLD, viral hepatitis, and pediatric liver disease

3. Patient & Caregiver Support

Enhancing the experience and outcomes of people living with liver disease.

Examples include:

- Patient navigation and support services
- Peer support networks
- Educational tools and resources for patients and caregivers

Special Initiatives & Collaborative Opportunities

In addition to our core priorities, Liver Canada welcomes partnership on:

- CADTH/INESSS submissions and patient insight initiatives
- Pilot programs and innovative approaches to liver health
- Strategic collaborations aligned with emerging needs

Please Note: Projects outside of core priorities may require advanced planning and additional resources.

Partnership Approach

Liver Canada is committed to delivering high-quality and impactful programs.

To ensure appropriate planning and execution:

- A minimum of three months' advance notice may be required
- An administrative fee of up to 20% may apply to support program delivery and coordination

Let's Work Together!

We welcome the opportunity to explore partnerships that align with shared goals and that create meaningful impact for Canadians affected by liver disease.
